Beginning the Year Together – Parent Interaction Session (Classes I–V)

With the commencement of the new academic session 2026–27, a Parent Interaction Session for Classes I to V was organised on 25th April 2026 to establish a strong and meaningful connection between parents and the school. The session was planned in a systematic manner, with parents invited in different time slots to ensure smooth coordination.

The meeting began with a warm welcome, marking the start of a new academic journey. Teachers briefed the parents about the academic structure, school guidelines, and expectations for the year ahead. For the primary classes (I–II), emphasis was laid on developing basic learning habits, nurturing curiosity, and ensuring a smooth transition into formal schooling, while for higher primary classes (III–V), focus was given to academic planning, responsibility, and independent learning.

Important aspects such as attendance, discipline, daily habits, and the importance of regular practice at home were discussed. Parents were also guided regarding uniform and participation in school activities to ensure the smooth functioning of the academic year.

The session also provided an opportunity for parents to interact with teachers, share their concerns, and seek clarification. The active participation and cooperation of parents made the session meaningful and productive.

The programme concluded on a positive note, with a shared commitment to work together for the overall growth and well-being of the students. The teachers also extend their sincere gratitude to Madam Principal for her guidance and support in organising such a well-coordinated and enriching session.
