

**ST. CECILIA'S PUBLIC SCHOOL**  
**'POSTER MAKING ACTIVITY' ORGANISED BY ECO CLUB**  
**AS PART OF REPUBLIC DAY CELEBRATIONS**

Present time is a test of our strength, endurance and commitment to our country. To express Unison and the tenet of standing together in this challenging time and coming out victorious, Eco Club of St. Cecilia's Public School, Vikaspuri organized a 'Poster Making Activity' as part of 73rd Republic Day Celebrations of our Country. Students were instructed to use eco friendly materials available at home to design a poster expressing a strong motivational message for our countrymen on this special day.

Students used their creativity to the fullest and utilized bio –degradable materials available at home to spread the message of positivity and hope, blooming in tricolor for one and all. The spirit of commitment, democracy, Unity, Secularism, Liberty and Justice radiated in its full expression and gave a proud representation of glorious 73 years of Indian Republic.

The basic tenet of saving the environment, fused with the republican theme created a magical environment enlivened with sparkling energy of our children. The activity not only gave a platform to children to express their commitment towards environment and their Country, but also made them active warriors in the entire process.

Students used diverse ideas and expressions, utilized creative ways of representing through different illustrations and actively participated in the activity with joy and sincerity.

Madam Principal, Madam Co-ordinator, Class Teachers and all the subject teachers joined hands in hands with the students in this endeavor to stand as one entity, especially in context of the present pandemic times. The efforts of the students were highly appreciated and were seen as a stepping stone towards making them responsible active citizens of their state.
