but let's not forget to fight to protect it too.**

Bless the souls who sacrificed their lives for creating India.

Last year, the celebrations in schools and colleges were virtual to avoid gatherings because of the second wave of the COVID-19 crisis. This year, most schools and colleges have started offline. So, to commemorate 75 years of India's independence, the efforts of our freedom fighters, Quiz Club of St. Cecilia's Public School has organised a Quiz Competition to know how much do our students know about, country's rich culture and heritage.

The competition was organised for senior students for class IX to XI. The participants were chosen on the basis of their performance in the preliminary round which was held in the class itself in the month of August, 2022.

The event started with a short speech by students of class XII D2 on Independence day. Students were divided into 4 Teams. Each team consisted of three participants of classes IX, X and XI each.

There were 3 rounds.

- General round, (MCQs).
- Visual round. Identify the picture (Person/Place.)
- Buzzer Round,
