Readers are Leaders

Honouring the father of the “library Movement in Kerala”, the late Sri P.N. Panicker the primary wing of the school participated with great zeal and enthusiasm in the national online reading session under the able guidance of our Co-ordinator Mrs. Meena Rawat .Students were given an opportunity to read aloud an unseen extract. Stress was laid on pronunciation, voice modulation and expression. Meanings of difficult words were explained to the students. The main aim of the initiative was to promote a culture of reading and to develop the habit of reading among the students. The significance of reading was emphasized upon.

The best part was that everybody was able to read fluently. (both in Hindi and English) Some were suggested to improve their reading skills and showed improvement when asked to read the next time. .The entire activity was appreciated and enjoyed by one and all.
