Road Safety Awareness Programme

In compliance with the directions received from the Directorate of Education, Government of NCT of Delhi, the live streaming of the Mega Road Safety Awareness Programme, organised by Delhi Traffic Police was facilitated by the school for the students of classes VI to XII on 8 May 2026 at 11:30 AM. The programme aimed to promote responsible behaviour and awareness regarding road safety among school students.

About 950 students from different classes and 43 teachers viewed the live session in their respective classrooms. The session was highly informative and engaging, focusing on the rising concerns related to road accidents and the importance of traffic discipline. The speakers shared valuable insights, real-life examples, and safety guidelines to help students understand the seriousness of traffic violations and the need for responsible behaviour on roads.

Key points highlighted during the session included:

- Importance of following traffic rules and road signs
- Encourage responsible behaviour on roads
- Educate students about traffic regulations and safe practices
- Role of pedestrians in maintaining road discipline

The programme concluded with students expressing their learnings and pledging to follow traffic rules in their daily lives.

The school expresses heartfelt gratitude to Honourable Principal Ma'am for her constant encouragement and for facilitating such meaningful initiatives that provide students with important life lessons on safety, discipline and civic responsibility. The school also thanks the organisers for conducting this valuable awareness programme.
