74TH INDEPENDENCE DAY ONLINE CELEBRATIONS

As we celebrated the 74th Independence Day with patriotic fervour and enthusiasm, students of Classes IX to XII put up marvellous participation on the digital platform of Gsuite for Education. The Editorial Club took the initiative of organising a special class teacher live session on Google Meet for students of classes IX to XII. The students were up fronted with the need of patriotism and love for the country in the hour of need during the testing times of pandemic covid-19. In the interactive online session students received Madam Principal's inspiring message on the eve of Independence Day. Madam Principal's Address on the occasion enlightened the students to dedicate themselves for nation building. Pre recorded audio messages were played for students to instil love for the motherland. Live poetry recitation and live speeches on MY INDIA were given by students during the online interaction. They participated reverently as they sang along the National Anthem. The students used their expressions with enthusiasm to develop national fervour.

On this national occasion, Geekoz IT Club organized a Poster making competition on the much celebrated topic DIGITAL INDIA IN 2020. The worthy objective of giving wings to the imagination of the students and put them away from screen time was successfully achieved as the teachers supervised the competition through Google Meet.

The Eco Club organized BEST OUT OF WASTE activity for Classes IX to XII to creative use the waste material available to the students at home with the objective of preparation of an object of utility that can be put to use during festive season. The students shared pictures and videos of the process of creating an object of use from waste material at home. Indeed the students made objects of good use like planters, masks, display pieces, storage boxes, stands and holders etc from unused material at home.

Scientia Club working on the principle of innovation and exploration organizes a PowerPoint presentation competition for students on the theme: BENEFITS OF ONLINE LEARNING and USE OF TECHNOLOGY DURING PANDEMIC COVID 19. Students presented their thoughts and viewpoints with mastery and conviction. Colourful and eye catching artistic work was put forth by students.

The Quiz club organized a Google Forms feature based quiz on the Past and Present grandeur of the motherland. The Quiz activity encouraged mass participation of students.

Together as a dedicated team, the Cecilian family made this year's online celebrations as memorable as previous celebrations taken up in person in school campus. Students participated whole heartedly in all the activities as the end painted the heart with nationalism.
