

## ST. CECILIA'S PUBLIC SCHOOL OBSERVING VIGILANCE WEEK

“Eternal vigilance is the price of eternal development.”

In order to scale new heights of progress, corrupt practices have to be eliminated. To achieve this, we need to be honest, sincere, united and integrated. Keeping this objective in mind the school has conducted a special online assembly, whereby **Integrity Pledge** was taken by all the students .

Values of integrity, sincerity and truthfulness among the students, which are required for every individuals holistic development and also for the development of the nation were emphasized upon.

Respected madam principal also addressed all the students and encouraged them to exhibit the values of honesty in their actions.

Under the supervision and guidance of concerned teachers various activities are planned to be conducted at senior and middle level after Diwali.
