Joy of Giving Month**

**“Its not how much we give but how much love we put into giving”
-Mother Teresa**

- **“Teaching our children to share is to teaching them compassion and love”.**

The Interact club of the school is thankful to Madam Principal for giving the students and teachers a great opportunity to celebrate the “Joy of Giving”.

The teacher incharges of the Interact Club of the school visited the neighbourhood organizations and enquired about their requirements which will benefit the underprivileged. After the inputs by the organizations the club of the school celebrated Joy of Giving month wherein they collected funds from the students and Staff members and donated the things required by the following four institutions.

1 Rashtriya Virjanand Andh Kanya Vidyalaya, Vikaspuri : On 21st December, 2022, 28 students and Teacher Incharges visited the blind school in J Block, vikaspuri where they donated cleaning products, toiletries and Ration to the visually impaired girls who reside in their hostel. Students sang songs, bhajans and spent some quality time with the girls.

2 Arya Gurukul, Tihar Gram (Orphanage) : On 22nd December, 2022, the Interactors along with 32 other students visited the orphanage and donated Track suits and goodies for the children of the age group 4 to 14 years. The smile on children's faces was heart warming and a learning experience for our students wherein they learnt the values like empathy, sharing and caring.

3 The Golden stick old age home, Paschim Vihar: On 22nd December,2022, the Interactors along with 32 other students went to the old age home where the school donated Ration and Utility items, this organization further sends the things to "Earth Saviours" an old age home on Gurugram-Faridabad road. There the children spent quality time with the elders and learnt to respect and care the elderly. It was indeed an emotional and heartwarming experience for everybody.

4. Masoom Duniya, (Innocent World Charitable Society), Uttam Nagar: On 23rd December, 2022, The teacher Incharges and 15 students went to this Non Government organization who is working tirelessly for betterment and upliftment of the special children suffering from slow learning, ADHD, Mental retardation, Down Syndrome, Cerebral Palsy, hearing and speech impairment. Here the school donated a wheel chair, an Almirah and goodies. There the students celebrated Christmas with these children.

Cecilians believe that the four important pillars of any institution is acknowledgment, care, empathy and gratitude. Therefore, Cecilians would like to thank the efforts of not just the Parents, students and staff but would also acknowledge the collective efforts of all the NGOs for writing letters of appreciation. We really appreciate the organizations for taking the time to express their gratitude. Such act of kindness radiates the emotions of how good deeds and appreciation go hand in hand. As an educational institution our fundamental duty is to impart these values in our students. The Cecilian fraternity would like to thank you for connecting with us, recognizing our efforts and imbibing the spirit of sharing in us.

Thanks Letters from the Organizations
