

“Things work out best for those who make the best of how things work out.” —John Wooden

***Congratulations to Cecilians
for praise worthy accomplishment in JSTSE***

Harshit Bansal

Saksham Goel

Kudos to Saksham Goel of Class X A as he qualified **Mukhyamantri Vigyan Pratibha Pariksha** earlier known as Junior Science Talent Search Examination which is an **Indian** scholarship exam conducted each January by the Science Branch of the Directorate of Education in **Delhi**. Almost 1000 students per year are awarded the scholarship. Students studying in 9th class and securing 65% or more marks in class 8 examinations can apply for this examination studying in class IX (Session 2020-21) of all Government, government aided and unaided recognized Private schools of NCT Delhi.

Saksham appeared for the examination held on 28th March, 2021 at State Level. Saksham successfully qualified both Mental Ability Test (MAT) and Scholastic Aptitude Test (SAT) included in Stage I Examination.

It is rightly said that ‘Opportunities don’t happen you create them.’ The trail of worthy achievements were set in 2019-2020 itself as Harshit Bansal of Class IX 2019-20 bagged the Third position in the same prestigious JSTSE Examination.

Madam Principal congratulated the young budding scientists with best wishes and good luck for their future endeavours. The sincerity and hard work of Saksham and Harshit were appreciated by all teachers and students inspiring more students to follow the league.
